RESOLUTION

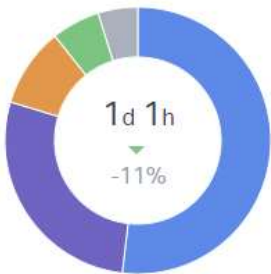

Replies to Resolve

Replies to Resolve

Number of replies sent to the customer before the conversation is resolved

Resolution Time

Resolution Time

The average amount of time it takes from the time a conversation is created to the time it is resolved. A conversation can only be resolved once and must include a reply.

Handle Time

Handle Time

This represents the time from when you open the conversation to the time you press **Send**. If you save a draft and come back to it several times, only the final visit before sending will be captured as the handle time.
